

Our show will be held at the WC Eaket Secondary School on:

# SATURDAY, May 14, 2012

EVENING SHOW : 7pm

## ABOUT THE SHOW:

Our year end shows are known for being high in production value. We use special lighting, video and other multi-media special effects to create the most entertaining production possible for our audience.

With our professionally designed programs to our dazzling choreography and costuming, our goal is to allow all of our students from the Recreational and Competitive programs to “shine” at the end of the year.

We go that extra mile to create a spectacular show for family and friends!
