ABOUT THE SHOW:

Our year end shows are known for being high in production value. We use special lighting, video and other multi-media special effects to create the most entertaining production possible for our audience.

With our professionally designed programs to our dazzling choreography and costuming, our goal is to allow all of our students from the Recreational and Competitive programs to “shine” at the end of the year.

We go that extra mile to create a spectacular show for family and friends!

Picture Day: **NEW** this season!

We are planning to do class pictures (in costume) for all Recreational and Competitive classes.

These will be included in our show programs!

Make sure you are present on Picture Day, so that you are included in your class photo.

Also, during this day you may take individual portraits.
