

MEALS DURING SUMMER CAMP 2010

Let us take the guesswork out of meals during summer camp. We will be serving meals at \$7.50 per day or \$35 for the full week. Each meal includes fruit and/or veggie, snack and one juice box or bottle of water. Each additional drink is \$1.00 extra. The dancers may have as many servings of the meal as they wish. If interested, kindly complete this form, write a cheque payable to **S.T.U.P.A.** for your order, place both in a sealed envelope marked "S.T.U.P.A." and drop it off at Studio Dance Arts by August 9, 2010. Proceeds go towards our competitive parent's fundraising association.
